

Help the people who help your patients with Medicare

You can help caregivers get vital information about Medicare. Tell them about *Ask Medicare* ([medicare.gov/caregivers](https://www.medicare.gov/caregivers)), a new web resource that provides insights about choosing a drug plan, selecting a hospital, finding community care resources and care options and much more. *Ask Medicare* is easy to use and ready when caregivers—and the people they care for—need it.
